OUR PROCESS

At Orits Garudah Exim, we follow a strict farm-to-table process. Our products are sourced directly from trusted farmers who practice sustainable and organic agriculture. After harvesting, the produce is carefully cleaned, sorted, and packaged using state-of-the-art technology to preserve its natural freshness and nutritional value. Our efficient logistics and shipping methods ensure timely delivery, keeping your products fresh upon arrival.

EXPORT MARKETS

Orits Garudah Exim proudly exports to regions across Asia, Europe, the Middle East, and North America. We have established long-standing relationships with clients in countries such as the UAE, the UK, the USA, Germany, and Saudi Arabia, consistently meeting their demand for high-quality agro commodities and spices.

LOGISTICS

We ensure timely delivery through partnerships with reliable logistics providers. All our products are securely packaged to withstand long-distance transport while preserving freshness and quality. Depending on your location, our standard delivery time ranges from 10-15 days
